**PARK 70 METROPOLITAN DISTRICT
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District was organized on January 27, 2004 by election to provide financing for the planning, design, acquisition, construction, installation, relocation, and redevelopment of all powers of a metropolitan district as described in Colorado statutes and the Colorado Constitution except for certain limitations which have been placed upon fire protection, television relay and translation and golf course construction within the District's Amended and Restated Service Plan dated February 17, 2006, as amended by the First Amendment to the Amended and Restated Service Plan dated January 25, 2016. The District's service area is located entirely within the City of Aurora in Adams County, Colorado.

The District operates under the Amended and Restated Service Plan as approved by the City of Aurora on February 17, 2006.

District voters approved authorization for property taxes to be increased up to \$1,100,000 annually and taxes be increased up to \$90,000,000 annually by the imposition of a fee or fees to pay for the operations and maintenance expenditures of the District. In addition, voters approved taxes to be increased up to \$1,000,000 annually for regional improvements. Total debt authorization was approved in the amount of \$853,712,500 for the above listed facilities and operations and maintenance, \$90,000,000 for intergovernmental agreements and \$123,337,500 for refunding debt. The election provided for intergovernmental agreements as multi-fiscal year obligations and allows the District to retain all revenues without regard to the limitations contained in Article X, Section 20 of the Colorado Constitution or any other law. However, the District's Amended Service Plan stipulates that the total debt that the District will be permitted to issue will not exceed \$90,000,000, not including refunding of debt.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the Budget at the total adopted mill levy of 31.539 mills; 5.000 for general operations, 25.500 for debt service and 1.039 for the Aurora Regional Improvement (ARI) mill levy. The ARI mill levy is required pursuant to the Amended and Restated Service Plan (Service Plan). The ARI mill levy began in 2007, and pursuant to the Service

For property tax collection year 2024, SB22-238 and SB23B-001 set the assessment rates and actual value reductions as follows:

Category	Rate	Category	Rate	Actual Value Reduction	Amount
Single-Family Residential	6.70%	Agricultural Land	26.40%	Single-Family Residential	\$55,000
Multi-Family Residential	6.70%	Renewable Energy Land	26.40%	Multi-Family Residential	\$55,000

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The forecast assumes that the District's share will be equal to approximately 7.0% of the property taxes collected by the General Fund and Debt Service fund.

Investment Income

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately 4.00%.

Expenditures

Administrative and Operation Expenditures

Administrative expenditures include the services necessary to maintain the District's administrative viability such as accounting and audit, insurance, legal and management costs. Operation expenditures include the street, sidewalk and landscaping maintenance. These expenditures are based on estimates of the District's Board of Directors and consultants.

Principal and interest payments are provided based upon the debt amortization schedule for the Series 2016 and 2019 General Obligation Refunding and Improvement Bonds.

Debt and Leases

Series 2016 Bonds

On September 28, 2016, the District issued General Obligation Refunding and Improvement Bonds. The proceeds of the Series 2016 Bonds were used in part to redeem the Series 2013 Note in the amount of \$10,244,950.42. Bond proceeds of \$8,477,462.20 will be used for a future capital improvement project. The Series 2016 Bond bears an interest rate of 5.00% and matures on December 1, 2046. Interest is payable semi-annually on June 1 and December 1, and the principal is payable annually on December 1. The Bonds maturing on and after December 1, 2036 are subject to redemption prior to maturity, at the option of the District on December 1, 2026, and on any date thereafter, upon payment of par plus accrued interest, without redemption premium. The Bonds maturing on December 1, 2036, are also subject to mandatory sinking fund redemption on December 1, 2027, and on each December 1 thereafter prior to the maturity date, upon payment of par and accrued interest, without redemption premium.

The Bonds are secured by and payable from the Pledged Revenue consisting of monies derived by the District from the following sources, net of any collection costs: 1) all Property Tax Revenues, 2) all Specific Ownership Tax Revenues, and 3) any other legally available moneys which the District determines, in its absolute discretion, to credit to the Bond Fund.

Series 2019 Bonds

On January 30, 2019, the District issued its \$19,300,000 Series 2019 General Obligation Bonds (the "Series 2019 Bonds"). The Bonds were issued on a parity with the Series 2016 Bonds, with final maturity on December 1, 2048. The proceeds from the Series 2019 Bonds were used for a. paying the Project costs, and b. paying other costs in connection with the issuance of the Series 2019 Bonds.

The Series 2019 Bonds bear interest at a rate of 3.5%-5% per annum, with interest payable semi-annually from Pledged Revenue on June 1 and December 1, beginning on June 1, 2019, and principle payable annually from Pledged Revenue on December 1, beginning December 1, 2019. Pledged revenue consists of the following, net of costs of collection: a) all Property Tax Revenues; b) all Specific Ownership Tax Revenues; and c) any other legally available moneys which the District determines, in its absolute discretion, to credit to the Bond Fund.
